WHY I AM FOR WILSON By Richard Olney Attorney General and Secretary of State in the Second Cleveland Administration.

In the conduct of foreign relations the administration has kept its ruler true and has won and deserved the respect and gratitude of the country. The administration is to be credited with a prudence and patience which has kept our naturally warlike people out of the great European struggle, a prudence and patience which has kept our naturally warlike people out of the great European struggle, a prudence and patience which has kept our naturally warlike people out of the great European struggle...
